## Objective

To secure a position that fully utilizes my work experience to its fullest potential within an organization that offers me further development as well as a clear career path to grow professionally.

## Experience

SALES ASSOCIATE, J.C. PENNEY CO. — 2017-2019

As a Sales Associate on the Shoe Department Team, I was charged with greeting customers, offering assistance and answering any questions; promoting in-store and online sales and displaying new merchandise from the stock room onto the selling floor.

- Provided efficient and helpful customer service
- Proficiently trained in register use and customer interaction
- Teamed with coworkers in organizing department to ensure customer satisfaction and safety
- Opened myself to become more familiar with other departments to provide quick and knowledgeable responses to any customer questions.

TEACHERS AID, JAMES J. FLYNN ELEMENTARY SCHOOL (INTERN) — 2015-2016

Being a Teachers Aid, my responsibilities included monitoring students and assisting them with any difficulties they had as well as answering any questions; teaming with the teacher on lesson plans and student activities.

- Assisted art teacher with students' questions, school work and behavior
- Collaborated ideas with teacher for student activities and implemented them into the work flow
- Demonstrated artistic techniques with students to assist them in understanding the lesson for the day
- Developed layout for lesson plans for teacher to then fill in with detailed activities

PRODUCTION CREW MEMBER, PERTH AMBOY TV; CHANNEL 34/TV PROD. (INTERN) — 2013-2014

The Production Crew for Perth Amboy TV consisted of the individuals that are behind the scenes, broadcasting, recording, producing and editing video and audio for city and school events. My role encompassed staying up to date with local events essential for editing recordings and uploading the recordings to the school or city website.

- Organized archived tapes chronologically for easy access for staff and other interns
- Chose positions for camera crew and set up cameras for school and city events
- Edited and processed recordings from previous events and morning announcement broadcasts for the high school
- Prepared high school auditorium for Board of Education meetings
